KRISHNA PUBLIC SCHOOL MEERUT

DIRECTOR'S Message

First of all I would like to extend a hearty welcome to all the parents who have shown an interest in Krishna Public School. It has been one of my most cherished dreams which is now on the threshold of its completion in terms of education. At Krishna, we enable children to excel their hidden potential by exposing them towards diverse opportunities. We teach them to be confident, creative and independent. We believe that education is the tool which alone can inculcate national and cultural values. Our school will enable students to gain the highest qualifications to acquire life-long learning skills and prepare them as global citizens. Through our curriculum, we aspire to strengthen the friendly, ethical and cultural development of our students and to equip them for future responsibilities. I look forward to a long, happy and productive association with you- our Students, Parents, and Teachers

ADMINISTRATOR'S Message

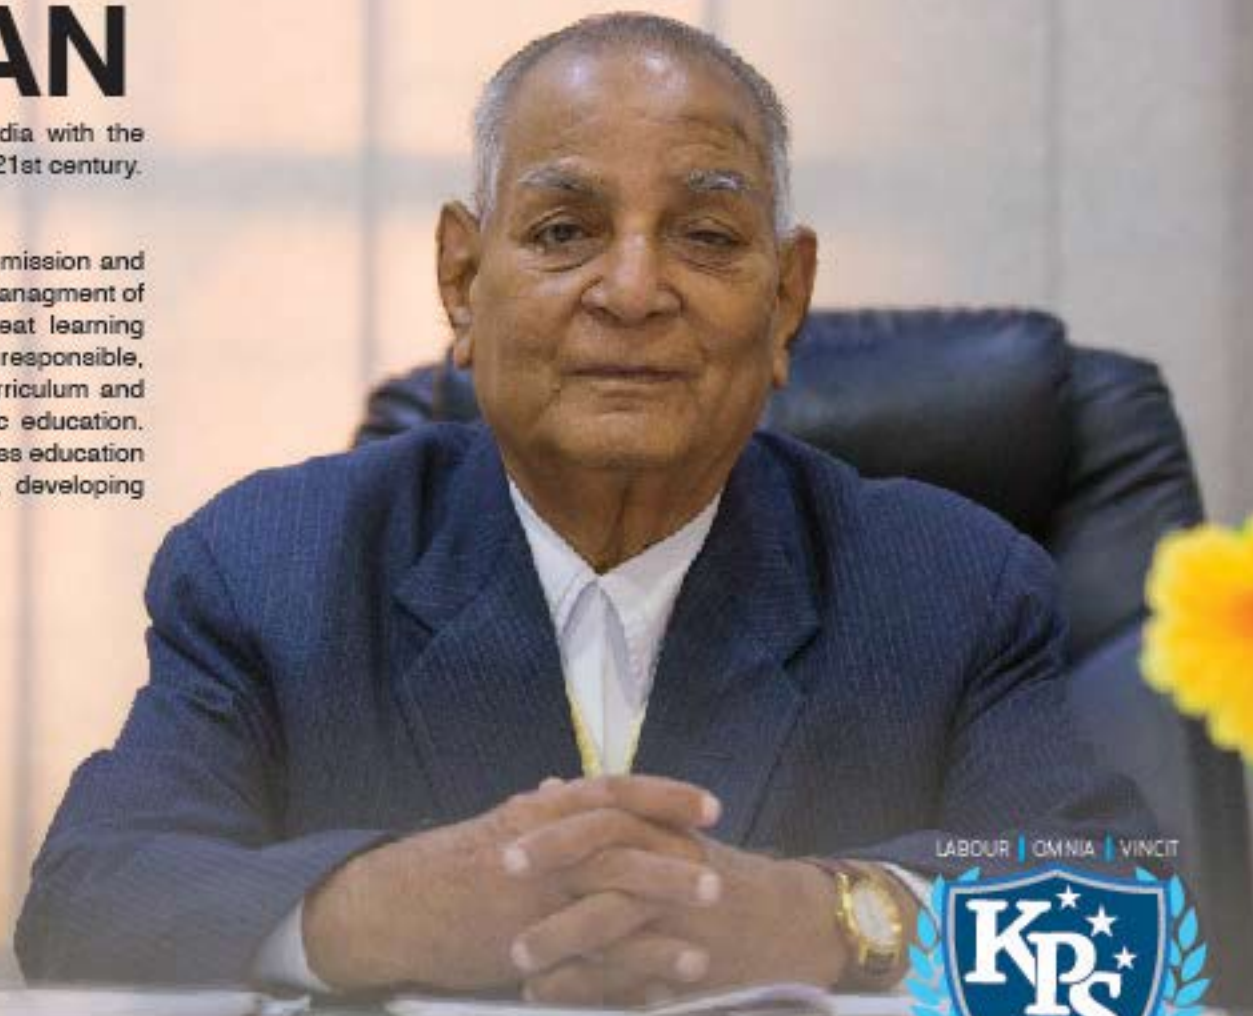

I am pleased to share with you KRISHNA PUBLIC SCHOOL -an endeavour of KRISHNA GROUP and is situated in the heart of the township of Meerut, the school offers students an environment to learn beyond textual facts and an experience to last a lifetime. We at KRISHNA PUBLIC SCHOOL are committed to provide the best education. In the friendly atmosphere and comfort of our classrooms, we strive to make learning a joyous experience and a process that every child looks forward to.

From the Desk of **CHAIRMAN**

Our mission is to provide the children of India with the necessary skills to face the challenges of the 21st century.

The KRISHNA family has made education a mission and quality the fulcrum of their commitment. The management of Krishna Public School brings together a great learning community. We strive to build independent, responsible, global citizens through a widely accepted curriculum and practices that are founded on learner-centric education. Therefore, Krishna school will impart world class education through the best use of modern resources, developing young minds to think, question and create.

Sincerely,
Bhopal Singh Advocate

KRISHNA PUBLIC SCHOOL

ABOUT US

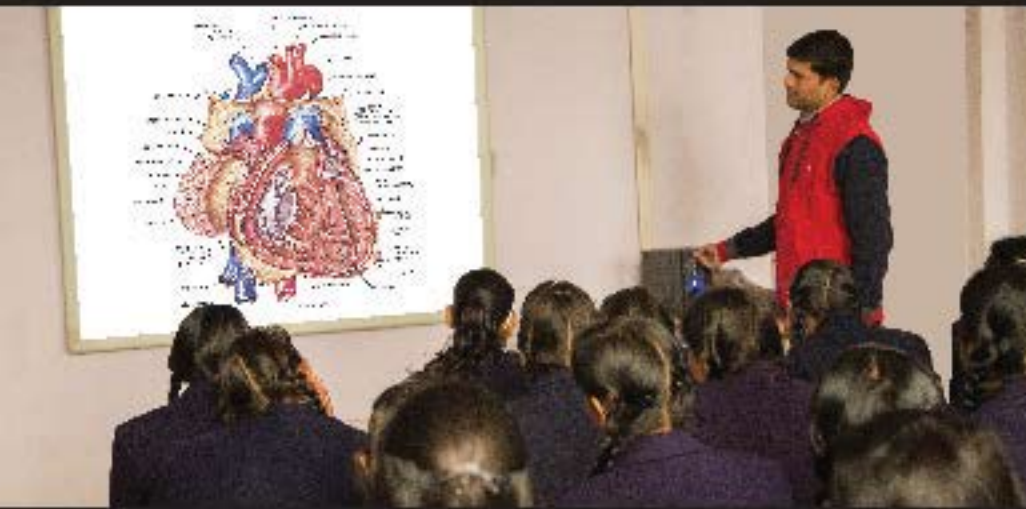

Krishna Public School, Meerut is one of the best-equipped schools in India with facilities that support excellence in all areas. The infrastructure has been suitably planned to accommodate learning and an all round development of the child.

Krishna Public School provides the best possible education to its students. The main objective is to ensure that the youthful energies of all students are channelized towards a holistic development. It aims to develop qualities like integrity, honesty, trust, tolerance and compassion to promote a spirit of enquiry, to foster a scientific temper within the bonds of humanism. Students should become a meaningful part of the environment and an asset to the Society.

OUR MISSION

To evolve as a centre of educational excellence that engenders leaders, thinkers, achievers and most importantly good human beings, each with the confidence to excel.

SMART CLASSES

The smart classrooms have been equipped with Interactive Electronic boards to make learning more interesting and easy for the students. The Visualization of the course content and other information helps them to learn the concepts easily and increase retention for a longer time. Besides this, the interactive boards with their compatibility with the learning styles, self efficacy and availability of quiz tool make them favorite with the students. This integration of educational technology with courses, delivers excellent results. Students of senior classes are benefitted immensely as these boards not only provide them computer-based learning and web-based learning but also work as Bulletin Boards and Quiz tool, creating a total learning environment.

The lab is well-equipped with the latest State-of-Art Technology which includes sophisticated computer software. It is a resource center for teachers and students. All students of the school have the access to the computer lab and come for practical learning under supervision of experienced and qualified staff members. Regular workshops are conducted here to train teachers in a motivational method of teaching.

LABS

SCIENCE

Well equipped Physios, Chemistry and Biology Labs provide the children with the facilities to work practically. The students of all classes make extensive use of these labs, and these labs are regularly upgraded.

Good morning !! - Busy is how most people describe the pace at Little Krishna. Momentum is high and each day is full and exciting. Children follow a daily routine of activities designed to build specific skills. A wide range of activities included in their schedule are singing, listening stories, dramatics/plays, group-projects, nature-walks and outdoor games etc. These activities provide opportunities for creativity, physical co-ordination, emotional maturity, practical and social skills. Little Krishna Pre School provides a carefully planned and structured environment in which the child grows and learns in a natural way.

LITTLE KRISHNA PRE SCHOOL
